

It's About You

We are passionate about the health and well being of our clients. We have served our local community for over 40 years. Our clients trust us.

- Custom Mobility works closely with you and your clinical team.
- Dedicated staff of certified rehabilitation specialists, to ensure a personalized fit.
- Insurance specialists who work with your insurance company for coverage.
- Certified repair technicians with over 200 years of collective experience.
- Wide selection of the best mobility products and custom solutions.

How Does the Process Work?

Our focus is on your health and a personalized fit for your mobility equipment. Our goal is to do as much of the work as we can to make the process smooth for each of our clients.

1

Intake

Demographics and insurance verification.

2

Evaluation

You have an evaluation with us.

3

Documentation

We gather your medical documents from your physician and therapist.

4

Insurance Approval

We contact your insurance provider for approval.

5

Communication

We keep you informed throughout the process.

6

Order

We order, or custom create your mobility solution, tailored to meet your needs.

7

You

We meet with you and fit your equipment.

8

Transportation Needs

Accessible vehicle solutions.
